Dear Committee Members:

On behalf of Delta Council, I would like to take this opportunity to thank the members of the Deltaport Community Liaison Committee (DCLC) for attending the November 19, 2007 meeting of Delta Council. We extend our gratitude for your ongoing hard work and dedication representing a diverse range of community interests relating to the Deltaport Third Berth Project.

I am also pleased to advise that, with your permission, Delta will be posting a link on our corporate website to the DCLC website, as soon as it is operational, in an effort to increase the awareness of the DCLC and help facilitate greater access to the important information and service that DCLC is providing the public.

Kind regards,

Lois E. Jackson
